LB 746, 898

recodification that is contained within LB 746. There's been one minor change in the amendment. Since General File, as I indicated, there were discussions that were still ongoing. People's Natural Gas, MUD, myself, Senator Hartnett have all seen the change and agree to it. I would simply urge that you adopt this amendment and insert the agreed to compromise from LB 307 into LB 746.

SPEAKER BAACK: Thank you, Senator Will. Discussion on the amendment offered by Senator Will? Senator Hartnett.

SENATOR HARTNETT: Mr. Speaker, members of the body, I'd just simply concur what Senator Will simply said. It's been an ongoing discussion between the two entities, People's and MUD, of about four years. And so this kind of resolves the problem. So I would support the amendment to LB 746.

SPEAKER BAACK: Thank you, Senator Hartnett. Any other discussion? Seeing none, Senator Will, do you wish to close? We will now vote on the amendment offered by Senator Will. All those in favor vote aye, opposed vote no. We are voting on the amendment by Senator Will. Have you all voted? Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator Will's amendment.

SPEAKER BAACK: The amendment is adopted.

CLERK: I have nothing further on the bill, Senator.

SPEAKER BAACK: Senator Will.

SENATOR WILL: Mr. Speaker, I move the advancement of LB 746 to E & R for engrossment.

SPEAKER BAACK: You've heard the motion to advance LB 746. All those in favor say aye. Opposed no. It is advanced. We'll now go to LB 898.
